

Memorial Designations

Many times while grieving the loss of a loved one, the family requests memorial gifts to be sent to a specific project or organization that had a special meaning or relationship with their loved one. This is a wonderful way to remember their loved one and also to help ensure that the special organization can continue to be available for those needing its services in the future.

If you wish to name Asbury Park as the memorial recipient for your loved one, please request your funeral director to make that designation. Also please contact Asbury Park so that we can be aware that you have chosen us as your memorial recipient.

Asbury Park's staff can help you select a specific project for the memory of your loved one. Memorials can also go to our Good Samaritan Fund. These funds help supplement our elders that no longer have enough personal funds to meet their health care needs.

At Asbury Park,

we are
committed to delivering
excellence in care and services for
our residents and our community.

As a not-for-profit retirement
community, every surplus dollar given
to us is reinvested into care so that
we may continue to enhance and
expand our services and operations.

Monetary donations help make
many of our programs possible.

Mission Statement:

Asbury Park is a continuing care
retirement community which supports
life while enhancing physical, social,
emotional and spiritual wellness
through caring staff, innovative
programs and benevolent care.

Making a Difference in the Lives of Others through Tributes and Memorials

A Mission
and Ministry
of the
United Methodist
Church

Inherent in the human heart

is the desire to remember the lives of those who have made a difference in worthwhile causes over the generations as well as those whose commitments today set an inspiring example for others to follow.

In addition, we often want to honor family members and friends we love, respect and admire. Often we show this reverence and respect after he/she has died, however it is also important to have an outlet for making this sentiment known while the individual is still living.

Asbury Park has three avenues of giving that can be used for making living tributes and memorials. These can be used for paying homage to someone while he/she is still living as well as to show respect and reverence for a loved one who has died.

Tribute Gifts

A Tribute Gift may be given to honor a caregiver, family member or friend who has been a vital part of your life.

Tribute Gifts may also be given to celebrate a special occasion such as a birthday, anniversary or other event in the life of a loved one.

Memorial Gifts

A memorial gift is a loving way to remember a friend or family member.

Asbury Park sends a thank-you to those making Tribute Gifts and Memorial Gifts. We also notify the honoree and/or the families of gifts received in their honor / memory of their loved ones.

Asbury Park is recognized as a 501(c)(3) organization by the IRS, therefore Tribute and Memorial Gifts given to Asbury Park are charitable contributions for income tax purposes.

Enclosed is a \$100 \$50 \$25 Other _____

Tribute Gift in honor of _____ Mailing Address, City, State Zip
