

Wish List: Help Us Help Others

Asbury Park takes seriously its ministry, to serve and minister to the poor and disadvantaged. On numerous occasions, Asbury Park has offered care to God's oldest children after they were turned away by others. In 2007 Asbury Park provided over \$165,000 in free care for more than 60 of our 150 elders receiving Health Care and Assisted Living services. We project our elders' needs to grow to more than \$200,000 in 2008.

In addition, there are many items we need to help us continue in enhancing the physical, social, emotional and spiritual wellness of our elders. If you find in your heart a desire to financially assist God's oldest children, please consider donating funds to help us underwrite these costs or make a contribution to Asbury Park's Good Samaritan Fund. We appreciate your support.
